National Electronic Attachment, Inc (NEA) Signs Agreement to Represent ACCEL Healthcare Resources in Outsourcing Healthcare Insurance Claims Data Capture Services

Atlanta, Georgia – National Electronic Attachment, Inc. (NEA) of Atlanta, GA (www.nea-fast.com) announced today that they have signed an Agreement with ACCEL Healthcare Resources of Alpharetta, GA (www.healthaccel.com) to represent ACCEL in the healthcare industry for outsourcing data capture of paper claims and their conversion to electronic format.

“ACCEL is committed to reducing the cost of converting paper claims to electronic format for Carriers. By using our offshore production facilities in India, we can leverage our lower labor cost and skilled workforce to deliver quick turnaround and accurate service to our clients. Our agreement with NEA will help us offer a valuable service to the Healthcare Claims segment of the market,” states Kumar Choudhuri, Vice President Sales and Marketing at ACCEL.

ACCEL anticipates this relationship will increase their paper claim volume and reduce expenses for Carriers using this service. ACCEL is the US subsidiary of ACCEL Ltd., a leading IT and BPO service provider in India.

“We are very pleased to announce our relationship with ACCEL. NEA is proud to have been chosen to provide this service to some of our clients,” states Tom Hughes, NEA’s CEO.

NEA’s *FastAttach*™ enables healthcare claims attachments to be transmitted, via the Internet, to NEA’s repository where insurance companies are able to view the images on NEA’s web site, in support of electronic claims. National Electronic Attachment is the nation’s largest electronic attachment company.
