National Electronic Attachment, Inc. Adds Several New Payors to Begin Receiving Electronic Healthcare Attachments via *FastAttach*™

Atlanta, Georgia – National Electronic Attachment, Inc. (NEA) announced today that they have several new insurance Payors who will now start to accept healthcare attachments for electronically submitted claims. The attachments will be transmitted to NEA’s web site from healthcare providers, using NEA’s *FastAttach*™ system.

FastAttach™ enables healthcare offices to transmit healthcare attachments (x-rays, perio charts, intra-oral pictures, narratives and EOB’s), via the Internet, to NEA’s repository where the Payor is able to view them in support of the electronic claim adjudication process. For healthcare offices, *FastAttach*™ accelerates claim processing and eliminates the need and cost to duplicate and mail x-rays and other necessary attachments.

NEA welcomes in the Commercial Area: Premier Access Insurance, Independence Blue Cross, Blue Cross of West Virginia, and Northeastern Pennsylvania Blue Cross.

NEA welcomes the following in the Medicaid Area:
