National Electronic Attachment, Inc. Signs Agreement with Solstice Benefits, Inc.

Atlanta, Georgia –Solstice Benefits, Inc. (“Solstice”), with their corporate office located in Florida, announced today that they have signed an Agreement with National Electronic Attachment (NEA) of Atlanta, GA. for the receipt of electronic attachments in support of electronic claims. Solstice will begin accepting Dental electronic attachments transmitted to NEA’s web site from Solstice electronic claim providers using NEA’s *FastAttach™* system.

FastAttach™ enables healthcare offices to transmit attachments (x-rays, perio charts, lab reports, physician’s notes, intra-oral pictures, narratives, EOB’s, etc.), via the Internet, to NEA’s repository where payors are able to view them, in support of electronic claims. For healthcare offices, *FastAttach™* accelerates claim processing and eliminates the need to duplicate or mail attachments.

“Solstice is pleased to announce that it will partner with NEA in the area of electronic attachments. We recognize NEA as the leading attachment clearinghouse for the healthcare industry. We anticipate that this agreement will increase our electronic claims volume and give better overall value to our Providers,” stated Carlos Ferrera, Chief Operating Officer, of Solstice Benefits, Inc.
