**All fees are per office location and include NEA's exclusive Vyne Connect encrypted email service in addition to FastAttach. In addition to monthly or annual subscription fees, a FastAttach subscription requires a one-time \$200 registration fee for implementation and unlimited training and a \$59 Annual Fee for data storage and maintenance. These additional fees are not included in these estimates. Costs are estimated based on available data from various industry sources and independent dental practice research. Actual figures will vary by practice. NEA makes no guarantee of cost savings and provides this information for educational, comparison purposes only. We encourage practices to measure their actual costs and compare against the NEA FastAttach data for accurate comparisons.*
